Safety First

At Express Industries Corporation,
SAFETY is our number one concern.

It is our intent that young students should not sell door-to-door. Fundraising catalogs should be shared with family members, friends, relatives, co-workers and by telephone.

With this thought in mind,
we offer the following safety tips:

- Order taking and delivery should be supervised by an adult.
- Do not have children carry cash for orders.
- Make sure that all cash payments to the school are made by an adult.

A well organized fundraising campaign can be a very positive experience for children and their families. It not only teaches responsibility but also provides an opportunity for students to set and achieve goals. In addition, a sense of accomplishment is felt when students and family members help their school.

Thank you for your support.

Do you have friends and family out of town? Invite them to visit www.expressfirst.com where a variety of items are available for online purchase to support this project.
