**SAFETY FIRST**

At Express Industries Corporation, SAFETY is our number one concern. It is our intent that young students should not sell door-to-door. Fundraising catalogs should be shared with family members, friends, relatives, co-workers and by telephone. With this thought in mind, we offer the following safety tips:

1. Order taking and delivery should be supervised by an adult.
2. Do not have students carry cash for orders.
3. Make sure that all cash payments to the school are made by an adult.

A well organized fundraising campaign can be a very positive experience for students and their families. It not only teaches responsibility, but also provides an opportunity for students to set and achieve goals. In addition, a sense of accomplishment is felt when students and family members help their school.

**Thank you for your support!**

Visit us at [www.expressfirst.com](http://www.expressfirst.com) to allow out-of-town family & friends the opportunity to support this fundraising effort.

Online purchases are delivered to your doorstep and remember - every order supports the organization conducting this fundraising effort. All items shown in this brochure may not be available online.
